

Welcome to the 2022–2023 school year!

My name is Ms. Ahyoung Han, and I am a junior college counselor. I have taught students in a variety of contexts for more than ten years, and my degrees include B.H. Ecol in Family and Consumer Science, Law and M.A in Teaching English to Speakers of Other Languages/Teacher Education.

As a college counselor, I will promote all students' personal, social, and academic development here at BCC. Also, I will cultivate a strong relationship with students and families to ensure a successful school experience and provide professional guidance and insight necessary for college admissions.

There will be regular and consistent meetings, but students and parents may request to visit with me for additional meetings by sending an email to ahan@usbccollegiate.org or just stopping by and making an appointment.
